REMARKS

This Preliminary Amendment amends original claims 4-7, 9-12, 14-15, 19-20, 23, 26 and 30-31 so that these claims are no longer multiply dependent in order to reduce the official fees. Original claim 33 has been canceled without prejudice as it was written in a style not used in the United States. These amendments in no way limit or narrow the scopes of those claims. The Applicants may elect to amend claims 4-7, 9-12, 14-15, 19-20, 23, 26 and 30-31 to make them again multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims at any time during the pendency of the above-identified U.S. application.

Amendment of the subject application is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'Richard P. Berg', written over the typed name.
